

Native English Speakers (m/f/d)

The bilingual kindergarten Clever Kids Planet in Hof (Germany) is offering positions for motivated, energetic, patient and committed native English speakers to join our dynamic team. We are an English-German immersion Kindergarten with 100 children (ages 1-10) in four kindergarten groups, in addition to an after-school program. Our Native English Speakers work side-by-side with German preschool teachers, planning and conducting activities entirely in English. Following the „One Person, One Language“ method, all team members at Clever Kids Planet speak exclusively their native language (German or English) with the children.

In addition, our **Native English Speakers:**

- Plan, prepare and lead daily activities with the children in English, in small or large groups (up to 22 children),
- Collaborate with team members on planning curriculum, discipline, classroom management, field trips, projects, and events,
- Integrate English into the children's activities and routines in a natural, playful and instinctive manner,
- Contribute personal interests, skills and background to the group,
- Support the children's healthy development by assisting them with personal care (varies by age) and meals,
- Play an active, engaged and integral role in the classroom, as well as in the Kindergarten as a whole.

What we offer you:

- A unique work opportunity in a city in Bavaria/Germany,
- A spacious, historic Villa in an ideal location, surrounded by nature,
- An exciting, fulfilling job in which you have the chance to bring your experience, skills, and interests to a dynamic group of young children,
- The opportunity to work with an energetic, motivated, and supportive team of professionals from a variety of backgrounds,
- Chances for further training and/or certification in childcare-related fields, as well as courses (both short- and long-term) to enhance your skills and knowledge base,
- Enhancement of your experience in Europe through cultural events, team building activities and kindergarten events

What we require:

- English as Native Language or fluent
- Basic knowledge and comprehension of German (A2) or willing to attend classes,
- Flexibility, patience, motivation and commitment,
- Ability and willingness to work in a team as well as independently

Additional preferred background components (although not required):

- Educational credential in Early Childhood Education or related field
- Previous work experience in childcare, preschool, elementary school or other related fields,
- Certification in Teaching English as a Foreign Language or similar training/experience
- Previous experience working with English Language Learners
- Music, art, nature and sport

Please send us (via e-mail):

- Cover letter
- Complete CV describing all previous positions working with children, as well as any related professional experience; please include all language skills and travel experience, and at least one professional reference
- Scan or other verification of all related diplomas and certificates
- Copies of all documents which are necessary for working and living in Germany

Please send all inquiries via e-mail to: office@cleverkidsplanet.de
